

# Element Fuels Logo Use Policy

Element Fuels logos shall be used only with written permission (email or print) from Element Fuels. Element Fuels, at its sole discretion, may withhold approval, and reserves the right to terminate or modify at any time permission to display the Element Fuels logos.

Element Fuels logos may be used only for the purpose requested; additional uses require separate permissions.

## **The Element Fuels logos may not be used in any manner that**

- Expresses or might imply Element Fuels' sponsorship, endorsement, certification, or approval of any product or service;
- Disparages Element Fuels, its services or products.
- Violates any state, federal or international law.

You may not alter the Element Fuels logos in any manner, including, size, proportions, colors elements or animate, morph or otherwise distort the perspective or appearance of the logos.

The Element Fuels logos must remain visually distinct from other text or images. In particular, don't integrate the Element Fuels logos with another logo or trademark. Any joint use of the Element Fuels logos with another company's logo must be approved in advance by Element Fuels.

The Element Fuels logo when used in a website or other digital application, must be linked to [www.elementfuels.com](http://www.elementfuels.com) or accompanied by a text link to Element Fuels' website.

Additional requests for use of the Element Fuels logos may be made to [info@elementfuels.com](mailto:info@elementfuels.com).
